

FRESH FISH FRY IN GIMLI!

Northern Lites Raceway, in Gimli, will be holding a fundraiser to generate funds for an irrigation system for the track.

This will be held on Saturday, September 25th, right after their race.

There will be a fish fry with French fries, coleslaw and fish caught THAT MORNING!!!!

Cost will be \$12/person.

After, there will be live entertainment with an open stage as well.....so if you're feeling musical, bring a guitar and showcase your talent.

There will be no charge for the 2nd night of camping, so feel free to stay after the race, have some good food and spend time socializing!!

The canteen will also be open till 11pm, serving burgers, fries, etc in case you should need some late night munchies.

So stay, camp, eat and support a great cause...hope to see you there!!
